

Electrical Safety Foundation International 2013 Holiday Safety Survey

86% of respondents celebrate a winter holiday by decorating their home.

63% of respondents will use one or more extension cords to power decorations this holiday season.

⚠️ 60% of respondents do not inspect extension cords often.

⚠️ 1/3 of respondents do not turn off their indoor lighted holiday decorations before leaving home and 1/4 do not turn off their indoor lighted decorations before going to bed.

⚠️ 53% of respondents reported that they do not always turn off their outdoor lighted holiday decorations before leaving home, and nearly 1/3 reported that they keep their outdoor lighted decorations on when they go to bed.
